PATENT APPLICATION  
Docket No: COS-738**DECLARATION**

As below named inventors, we, MICHAEL MUSGRAVE, LIKUO SUN AND MARK MILLER; hereby declare that:

Our residences, mailing addresses and citizenships are as stated below next to our names.

We believe we are an original, first and joint inventor of the subject matter which is described and claimed and for which a patent is sought on the invention, design or discovery entitled: IMPROVED PROPERTIES OF POLYOLEFIN BLENDS AND THEIR MANUFACTURED ARTICLES, the specification of which was filed July 28, 2003, as Application Serial Number 10/628,222.

We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before our invention or discovery thereof, or patented or described in any printed publication in any country before our invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by our or my legal representatives or assigns.

We acknowledge our duty to disclose information of which we are aware which is material to patentability in accordance with 37 C.F.R. Section 1.56(a).

Please direct correspondence and telephone calls to:
